XXI

Industrial Machinery

October 1961	IPE Study by the Defense Supply Agency
May 31, 1962	Report submitted to the Office of the Secretary of Defense
December 7, 1962	Office of the Secretary of Defense directed Defense Supply Agency to "develop, in collaboration with the military departments, a plan for the phased implementation of an "Industrial Equipment Utilization Center" within DSA to function as a central point for the DoD in the defense-wide management of industrial plant equipment."
February 15, 1963	Plan submitted to the Secretary of Defense for Approval
February 22, 1963	Deputy of the Secretary of Defense Approve Plan
March 1, 1963	Defense Industrial Plant Equipment Center (DIPEC) activated
	DIPEC deactivated; IPE mission consolidated under DSCR
